

# Parking at St Mary's, Worplesdon

- Ⓟ Please follow the instructions on the diagram below to ensure the maximum number of parking spaces and to avoid delays in the start of the service.
- Ⓟ You are strongly advised to treat the car park as a one-way system entering via the IN Drive and leaving via the OUT Drive.
- Ⓟ The IN & OUT Drives must be kept clear at all times to allow for Emergency Vehicles.
- Ⓟ It is essential at weddings to have two volunteers assisting with car parking, and strongly advised for larger funerals, to ensure cars are parked correctly.

*Worplesdon PCC can accept no responsibility or liability for any cars parking on its property.  
All cars are parked entirely at the owner's risk*
